Please provide coated heads on all drums, preferably EVANS G1 on snare and tom batters and EQ3 on bass drum batter. Remo Ambassador Coated and Powerstroke 3 are also OK.

#### SETUP

20" or 18" bass drum (please no bass drums bigger than 20")

10" tom (12" tom is not preferred)

14" floor tom with legs

14" snare drum (steel Ludwig Supraphonic highly preferred)

14" or 13", deep snare drum (for very low tuning. 14x6,5 Ludwig Black Beauty highly preferred)

## CYMBALS

Mateusz Modrzejewski is an official Istanbul Agop endorser

<http://istanbulcymbals.com/artists/239/mateusz-modrzejewski.html>

Please provide a setup of Istanbul Agop cymbals:

\* 13" or 14" hi hats

\* two ride cymbals of sizes not smaller than 20" (Mel Lewis 21" w/rivets & Turk Jazz Ride 22" preferred)

\* light 16", 17" or 18" crash (XIST ION crashes highly preferred)

\* stack of two crash cymbals of any sizes (preferably 17" and 18", may be cracked - the trashier the sound, the better)

Turk, Agop Signature, Epoch and Mantra series are preferred.

Please contact us if Istanbul Agop cymbals are unavailable and please maintain a similar setup.

Please no bright, rock cymbals - please, absolutely no A Custom, Z Custom, AA, AAX etc. cymbals.

## HARDWARE

Pearl, Yamaha or DW hardware is preferred

1x good quality drum throne

1x single bass drum pedal

4x cymbal stand

2x snare drum stand

1x hi-hat stand

## MONITORS

Please contact us about the availability of wedge monitors. In some cases an in-ear monitor will be preferred. In most of those cases, Mateusz provides his own mixer and earphones and only XLR/jack monitor signal is needed.

## OTHER

Please provide two different tambourines (LP Cyclops is OK)

**Thank you for your cooperation!**
